MOBILE APP INSTRUCTIONS
SPORT BIZNES POLSKA

1. Logging into the Mobile App

The Sport Biznes Polska app is intended for participants of the 10th edition of Sport for Brands, therefore only individuals who have a Participation Package can log in.
If you have a Participation Package, you will receive a link to set your password for the app.

The link will be sent from the email address bilety@sbpolska.pl no later than two days before the event.

The link will be sent to the email address used during event registration.
If, for any reason, you no longer have access to that email account, please contact the organizer

2. Admission Ticket

Your admission ticket in the form of a QR code will be sent to you via email no later than two days before the event, to the email address provided during package registration. The ticket will also be available for download in the mobile app after logging in, in the "Your Profile" section.

3. Home Tab

In the "Home" tab, you can view the speakers along with the topics of their presentations. You will also find the full event program there.

4. Congress Tab

In the "Congress" tab, you will find information about the event, a map with directions, a list of event partners, and an Event Guide containing all key details, including a venue map.

5. My Plan Tab

In the "My Plan" tab, you'll find the sessions and activities you've selected from the program. By marking a specific debate or presentation, it will be added to your Daily Plan. You can freely mix and match thematic blocks to attend all the presentations that interest you the most.

6. EXPO Tab

In the "Expo" tab, you'll find information about our new event, including a venue map, a list of exhibitors, and details about each exhibitor.

7. English Version

On the login screen (top right corner) as well as in your user profile (under the Settings section), you'll find an option to switch the app language to English.

8. Agenda – Full Event Schedule

In this section, you'll find details of each presentation, organized by day and thematic blocks. By selecting a presentation that interests you, you'll have the option to submit a question during the session. If your question is chosen by the Moderator, it may be asked to the Speakers during the ongoing panel.

9. Stream – Access to Live Presentations

You can watch every presentation live - either in the mobile app or on the website bilety.sbpolska.pl under the "STREAM" tab.
 Use the same login credentials as for the mobile app to access the stream.
Link to the streaming page: https://bilety.sbpolska.pl/

10. Networking

In the Networking section, you can go to the "Participants" tab to see a list of all event attendees.
 Here, you can invite a selected person to your network. Once your invitation is accepted, you will receive a notification in the app, and the user will appear in your "My Network" tab — this means you can send messages to each other.

11. Profile Personalization

In the "More" tab, you can add your photo and include information you want other participants to see in the "About Me" section.
 You can also add links to your social media profiles, which will be visible in your profile preview.

For any additional questions, we invite you to contact us directly.
